Guidance/Definitions

- **Guidance:**
 - FAR, DFARS, AFARS
 - Army Regulation AR 715xx
 - DoD FMR
 - Government Purchase Card User's Guide
- **Definitions:**
 - Cardholder
 - Billing Official/Approving Official
 - Single Purchase Limit
 - 30 - Day Spending Limit
 - Office Limit
 - Billing Cycle Date
 - Merchant Type Activity Code
 - Billing Address

Regulations

- **Federal Acquisition Regulation (FAR) and Defense Federal Acquisition Regulation (DFAR)**
 - **Part 13 Simplified Acquisitions**
 - Government-wide commercial purchase card

(a) The Government-wide commercial purchase card is authorized for use in making and/or paying for purchases of supplies, services, or construction.

Regulations

- **FAR Part 8** Required Sources of Supply
 - **8.002** Priorities for use of Government supply sources.
- **Army Federal Acquisition Regulation Supplement**
 - **5113.270** Use of the Government-wide commercial purchase card

Regulations

- Directorate of Contracting
 - Government Purchase Card Users Guide
 - DOC-CG001
 - SOP Government Purchase Card Checks
 - DOC SOP-003
 - Card Holder responsible to request

Definitions

- Billing Address - The official organizational office mailing address where the purchase card statement of account is mailed to the billing/approving official and cardholder. This is the address to which vendors will send all sales/receipts/invoices.
- Billing/Approving Official - The person designated to receive and review the monthly billing statement, verify cardholder purchases and certify payment for the purchase card. The Billing/Approving official will have input into the cardholder's performance appraisal. The billing official will be appointed the certifying officer for the purchase card only. As a certifying officer the billing/approving official will certify the billing statement for payment.
- Billing Cycle Date. The billing cycle date is the 20th of the previous month to the 19th of the current month. If the 19th should fall on a weekend then the close of the cycle will fall back to the Friday prior to the 19th.

Definitions

- Cardholder – Government employee or military personnel who have been designated as having authority to use the purchase card. The purchase card bears that individuals name and may be only used by that person to pay for purchases made in conformance with regulatory guidance and procedures.
- Single Purchase Limit – The maximum spending limit a cardholder can spend on a requirement. (\$2500 Micro purchase Authority)
- 30 – Day Spending Limit -The maximum dollar amount that a cardholder can purchase within a monthly cycle.
-

Definitions

- Monthly Office Limit – An amount that limits the accumulated maximum dollar (30 day spending limit) amount that can be purchased by the cardholder(s) within a specific billing level (billing/approving official) within a monthly cycle.
- Merchant Activity Type – Vendors/merchants are assigned a Merchant Category Classification (MCC) or Standard Industrial Classification (SIC) code by their processing bank according to their industry type. US Bank has grouped the codes into categories, which are called Merchant Activity Type (MAT) codes.

Sources of Supply

REQUIRED SOURCE OF SUPPLY

- Federal Acquisition Regulation(FAR) Part 8
 - Subpart 8.6 Acquisition from Federal Prison Industries, Inc
 - **UNICOR Federal Prison Industry**
 - If the cardholder does market research and determines that the price from FPI is not fair and reasonable then the item can be purchased from an alternate source. The cardholder's file must reflect this in writing with documentation that the price is not fair and reasonable.

Abuse or Fraud:

- **Intentional** use of the Purchase Card for other than official Government business may be considered an attempt to commit fraud against the U.S. Government.
 - Immediate Cancellation
 - Pecuniary Liability
 - Negative Administrative and/or Disciplinary Action

CARE

Fraud - Split Purchase:

- **Fraud** - A deliberate deception so as to secure unfair or unlawful gain.
- **Split Purchase** - DA , Memo dated 30 Oct 97, "An improper "split" in the purchase card program generally involves the willful reduction of a requirement which could be purchased from the same merchant or vendor in an effort to keep the total price of the purchase at or below the cardholder's single purchase threshold." The attempt of a split by a cardholder is to maintain **CONTROL** of the buy.
- **Requirement**

Ethics

- All government purchase card participants are required to take **annual ethics training**.
- Daily Business with Merchants:
 - Cardholders and Billing Officials must use sound judgment in all contacts with merchants. Tax payer dollars are at use for the benefit of the government.
 - Two Factors of Ethics:
 - employees shall not use public office for private gain, and
 - employees shall act impartially and not give preferential treatment to any private organization or individual.

Convenience Checks

- Must be requested IAW the DOC SOP-003.
 - Only DOC can issue
- Convenience Checks are designed for unique purchases that can not be obtained with the purchase card. Cardholders must do market research to:
 - Determine that all sources have been exhausted.
 - There is no one vendor available in the market providing that product or service that accepts credit cards.
